

A half-day workshop that guarantees you will read better and faster with improved comprehension, retention and recall!

Efficient Reading

Reading can be...

- A pleasure, not a chore!

Efficient Reading teaches you to...

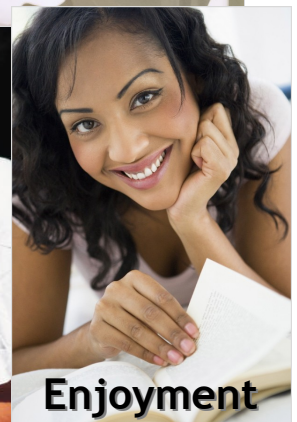

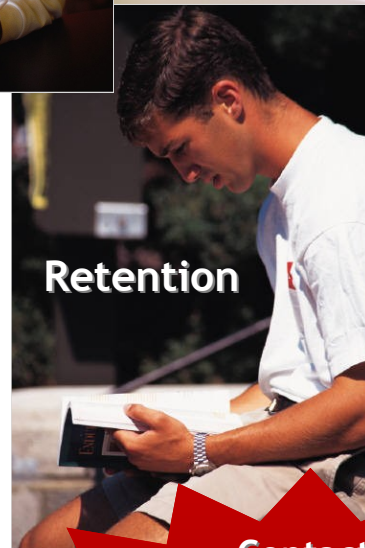

- Unlearn the bad habits of inefficient readers and learn the good habits of efficient readers

In one half-day, master the skills of effective speed readers...

- Read clumps of words in a single glance
- Read for meaning, not sound
- Read faster without vocalizing words as you read them

Improve your efficiency and productivity...

- Reduce errors
- Enhance self-esteem
- Use the industry's most advanced software and computer-based training
